Grab-and-Go Phonics Solution

Introducing a New Phonics Program Developed with Wiley Blevins

Built Upon the Science of Reading Research and the Tenets of Structured Literacy

Explicit, systematic, and multimodal phonics instruction is paired with diagnostic and cumulative assessments for effective and efficient delivery.

- Flexible pacing options in a grab-and-go format support multiple school needs while delivering tailored, student-centered instruction.
- Encourages family involvement with take-home books and home-school connections.
- Aligns with the systematic, explicit, and spiraled review of *Benchmark Advance* and *Benchmark Phonics* scope and sequence for easy classroom integration.
- New, engaging, and beautifully designed decodable readers are written by reading expert Wiley Blevins.
